

mcc_generated_files
/tmr3.h

```
graph TD; A["mcc_generated_files<br/>/tmr3.h"] --> B["stdbool.h"]; A --> C["stdint.h"]
```

The diagram illustrates the dependencies of the header file `tmr3.h`. A central box at the top represents `mcc_generated_files/tmr3.h`. Two blue arrows originate from the bottom of this box and point downwards to two separate boxes below it. The left box contains `stdbool.h` and the right box contains `stdint.h`, indicating that `tmr3.h` depends on both of these standard C headers.

`stdbool.h`

`stdint.h`
